**Westwood Park Golf Course
Women's Fall Golf Clinic**

Ladies come learn the game of golf and join your friends and family at the course:

Back by popular demand is our ladies golf clinic. The fall clinic is a four week clinic and will again be taught by David Lisle, PGA, Rick Parish, PGA, Amber Loeffelholz, LPGA, Robert O. Smith, PGA, Taylor Anthony, Teaching Professional and others. These classes will be held on Tuesdays from 5:30 p.m. to 6:30 p.m., in a small group environment, beginning Tuesday, September 21st and ending on October 12th.

The classes will introduce you to the clubhouse policies and procedures and teach you fundamental guidelines, the mechanics of the swing, putting, chipping and some course rules and etiquette. Whether you are a beginning player or learning further skills this clinic will help you. If you do not have your own clubs we provide clubs to be used during lessons.

Call the Westwood Pro Shop at 292-9700 to register for the clinic. The cost for the clinic is \$60.00 which is only \$15.00 per class. If you pay for all four classes the first night you will be given a \$10.00 discount and only pay \$50.00 for the clinic.
